

COMMITTEE REPORT

EMERGENCY MEASURES

DATE: March 14, 2022

ATTENDEES: Susan Cassidy, Carla Ward, John Johnston, Jason Vallis, Matt MacNeil, Chris Bringloe, Terri Parker (EOC Coordinator/Clerk-Treasurer), Sherri Johnston (staff), Emily Gregory (staff)

ABSENT: Mark Murray

Welcome to Committee Member: Matt MacNeil was welcomed to the committee; Matt has 15 years experience as volunteer fire fighter for UKFD and has a lot of safety training from his career at Lepreau. We also welcomed Chris Bringloe; Chris is retired from Natural Resources where he worked for 38 years and has some emergency measures planning experience specifically in forest fires.

I would like to express my gratitude that members from Kingsclear, Islandview and Ludford are joining our committees. As we begin the amalgamation process, I am so happy that we don't feel we need to wait until Jan 1, 2023 and we can bring our two entities together for the safety of our communities.

Guide & Orientation Binder

- The EOC Coordinator/Clerk will draft an orientation binder for all new members
- Carla Ward has offered to review the guide with the new members, if required

Team Communications

- Members are to provide possible vacation dates and contact information- Please forward to Terri, you can reach me at 460-1177 ext 3, or by email at tparker@hanwell.nb.ca

Updates:

- Staff will investigate a Scribe training course
- All members are required to take the Basic Emergency and ICS100 course (both are online)
- Comparison of Sentinel Alert System vs. Voyent Alert System- Mark Murray is working on the comparison will provide details when completed.
- Community Equipment List- John Johnston will look after the list
- Business Contact Information- Chris Bringloe will provide a list of businesses in the Kingsclear area

Next meetings:

Wednesday March 30th@ 6pm

Monday April 11th @ 6pm

Respectively Submitted,

Terri L Parker

EOC Coordinator
