A Message From the Mayor

Hello fellow Hanwellians.

Where has the summer gone? Fall is upon us, and so is a new school year. With this in mind please remember to watch for children heading back to school especially at the bus stops.

Council has been hard at work and has passed the new Rural Plan which brings into consideration the areas of our community that amalgamated with Hanwell in 2023. I encourage you to check it out at www.hanwell.ca

We have a new CAO at Hanwell, Nicolle Carlin has joined our team. Nicolle brings with her a wealth of experience. If you get a chance, drop in and meet her.

More news, Alec Ferguson has been promoted to Director of Parks and Recreation. We take great pride in the recreation services Hanwell offers as well as our beautiful parks and trails, and we know that Alec will do a wonderful job in this role.

It's back! Halloween Spookfest and the Haunted Trail will take place Saturday October 24th! This year we are having a Halloween Contest, offering cash prizes: \$500 for the best display on the Haunted Trail, \$300 for second place and \$200 for third. You can register as an individual or a group. That's right, you could win cash!

Let your creative juices run wild, get a group together, your family, your friends, your club, whatever!

It should be a lot of fun. And there will be a trophy awarded for the best station starting a new Hanwell tradition. You can register by emailing recreation@hanwell.nb.ca

Hanwell has another beautiful park for our citizens to enjoy. We are putting the finishing touches on a new playground and pavilion in Yoho (featured on the cover). Stop by and check it out!

Last but not least, we have a new recycling schedule. Check out page 6 of this edition of the Hanwell Herald for pick-up details.

On behalf of council and staff, we appreciate the opportunity to serve each of you and our community!
